

# Anti-Bullying Talk

St. Brendan's NS would like to invite the parents and guardians of the children of St. Brendan's to a anti-bullying talk in St. Brendan's NS. We have invited Martina Gilmartin from the National Parents Council to speak on this important issue.

We will also have some tea and coffee and treats for those in attendance and we hope that you can get involved in the discussion and get some valuable information from the talk. We are looking forward to seeing you there.

**Date: Monday the 29th of May**

**Time: 9:30 -10:30am**
